CHAIRMAN'S REPORT

Changes Ahead

Over the last 12 months LAPP has put in place a number of changes as it moves to an improved product for its members.

The new product, called Agreed Cover, requires moving from a fully discretionary benefit to a fully documented choose-how-much-you-want-to-spend product. It will use a Risk Protection Wording, which is very similar to having an insurance policy.

The Agreed Cover product offers members:

- certainty as to which assets are covered and how much they are covered for
- a choice as to how much overall cover is purchased
- a lower long-term cost.

Under the Agreed Cover product, LAPP will be able to offer its members improved bulk discounted prices for covering below-ground assets – as well as offering higher upper limits to those that want them. A similar product is already used by 44 New Zealand councils, but LAPP's version is expected to be cheaper long-term because LAPP will use self-insurance for smaller claims instead of reinsurance.

Members would still be having any claims settled by LAPP under this change and LAPP would still pay the first layer of every claim. And as the Risk Protection Wording provides greater clarity about what is (and what is not) covered, the need for 'discretionary' claims will reduce.

Changes of Advisors

Risk Management Partners, who have served LAPP with excellence for more than twenty years, are moving to a reduced role with LAPP with the appointment of Aon as LAPP's broker with effect from 1 November 2019.

Aon are replacing Aon Benfield as LAPP's broker. Aon Benfield has worked with LAPP as its reinsurance broker since 1994, it not being possible in 1993 to buy reinsurance as underground assets then were considered uninsurable.

The amount of reinsurance bought by LAPP in 1994 for its (then) 43 members was \$15 million. At that time, the cost of replacing underground assets following a natural disaster was very poorly understood. On behalf of the Trustees and LAPP's members I formally record LAPP's thanks to Aon Benfield for its work in opening up the reinsurance markets for LAPP and their very strong support for LAPP's Canterbury earthquake claims.

Civic Financial Services continues to be LAPP's Administration Manager.

Changes of Trust Deed

The LAPP trustees unanimously voted to change LAPP's trust deed at their meeting on 15 April 2019. The changes came into effect on 12 July 2019 when LGNZ, as settlor, confirmed in writing that these changes should be adopted. The changes:

- Provide for a Fund Year to start on 1 November rather than 1 July;
- Reduce the minimum notice period for a member to terminate a membership from twelve months to two months and removes the member's right to rescind that notice once given;
- Clarifies certain definitions and interpretation matters, including in relation to valuation;
- Specifically provides for an additional ground to be considered by the Trustees in assessing members' annual contributions;
- Specifically provides the Trustees with the discretion to consider whether an event can be more than one Damaging Event (thus potentially increasing the maximum amount of cover); and
- Other technical drafting changes of a minor nature.

Claims and Financial Position

LAPP received claims from three members following the November 2016 Hurunui/Kaikōura earthquake. They were from the Kaikōura, Hurunui and Marlborough District Councils. Most of the damage was to pipelines, although a good proportion of Marlborough's claim related to stopbank repairs.

All three of these claims have been settled. The claim from Kaikōura District Council was settled for \$2,200,000, the claim from Hurunui District Council was settled for \$767,156, and the claim from Marlborough District Council was settled for \$1,700,000. The loss adjustor for these claims was Mark Crosby of Sedgwick, formerly Cunningham Lindsey. Mark has an enormous amount of expertise in this area having worked on many of LAPP's claims including the 2004 Manawatu floods and the 2010 and 2011 Canterbury earthquakes.

As a result of these claims and the hardening reinsurance market LAPP's net equity decreased by \$56,807 during 2018-19 to \$16,281,595 as at 30 June 2019.

Claims History

Since inception (1 July 1993), LAPP has paid 23 claims to 16 different members who are shown below:

Bay of Plenty Regional Council	Christchurch City Council
Horizons Regional Council	Hurunui District Council
Kaikōura District Council	Marlborough District Council
Manawatu District Council	Nelson City Council
Otorohanga District Council	Rangitikei District Council
Ruapehu District Council	Tararua District Council
Tasman District Council	Waimakariri District Council
West Coast Regional Council	Whakatane District Council

The amount paid to members in claims totals \$232 million. The amount collected from members in contributions from 1 July 1993 to 30 June 2019 totals \$110 million. Typically insurance claims on average equate to around 50 cents for every dollar of premium collected. LAPP has paid \$2.11 in claims for every dollar of contribution collected.

LAPP has also made a huge contribution to the sector's understanding of the natural hazard risks to its three waters and flood protection assets, and this work continues.

Cover for 2018 – 2019

The 2010 and 2011 Canterbury earthquakes and the 2016 Hurunui/Kaikōura earthquake mean that New Zealand is now in a period of heightened seismicity risk. Furthermore, it is widely expected that global warming is likely to bring more storm, flood and wildfire events.

LAPP in 2017 moved from being able to cover two major events per year to three at limits of \$120 million, \$90 million and \$50 million (at 100%). For 2018-19, cover for up to three major events has been retained with the limits increased to \$140 million, \$100 million and \$60 million (at 100%).

These covers can be used in any order. For example, if a flood were to occur, the \$60 million cover could be used, leaving two other covers for up to \$100 million and \$140 million should they be required. This configuration has also meant an increase in total cover (at 100%) for members from up to \$260 million to up to \$300 million.

Acknowledgments

I would like to extend my thanks to the Civic staff, Tim Sole, Ian Brown and Glenn Watkin, who provide the administration services to LAPP; to Bryan Whitefield and Marlene Kanga of Risk Management Partners; to Mark Crosby of Sedgwick; and to Jeremy Holmes of MJW.

TO THE MEMBERS OF NEW ZEALAND LOCAL AUTHORITY PROTECTION PROGRAMME DISASTER FUND'S FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The Auditor-General is the auditor of New Zealand Local Authority Protection Programme Disaster Fund (the "Fund"). The Auditor-General has appointed me, Brent Manning, using the staff and resources of KPMG, to carry out the audit of the financial statements of the Trust on his behalf.

Opinion

We have audited the financial statements of the Trust on pages 7 to 14, that comprise the balance sheet as at 30 June 2019, the statement financial performance, statement of movements in equity and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion, the financial statements of the Trust:

- present fairly, in all material respects:
 - its financial position as at 30 June 2019; and
 - its financial performance and cash flows for the year then ended; and
- comply with generally accepted accounting practice in New Zealand in accordance with Tier 2 Public Sector Public Benefit Entity Standards.

Our audit was completed on 22 July 2019. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Trustees and our responsibilities relating to the financial statements, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Trust Board

The Trust Board are responsible on behalf of the Trust for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Trust Board are also responsible for such internal control as they determine is necessary to enable them to prepare financial statements that are free from material misstatement, whether due to fraud or error. The Trust Board is also responsible for the publication of the financial statements, whether in printed or electronic form.

In preparing the financial statements, the Trust Board are responsible on behalf of the Trust for assessing the Trust's ability to continue as a going concern. The Trust Board are also responsible for disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting, unless the Trust Board intend to wind up the Trust or to cease operations, or have no realistic alternative but to do so.

The Trust Board's responsibilities arise from clause 5.3 of the Trust Deed of the Trust.

Responsibilities of the auditor for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of these financial statements.

We did not evaluate the security and controls over the electronic publication of the financial statements.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trust Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001 and clause 4.4.1 of the Trust Deed of the Fund.

Other information

The Trustees are responsible for the other information. The other information comprises the information included on pages 2 to 4, but does not include the financial statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the Trust in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1 (Revised): *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board.

Other than in our capacity as auditor, we have no relationship with, or interests in, the Trust.

NOTE 1 REPORTING ENTITY

The purpose of the New Zealand Local Authority Protection Programme Disaster Fund, ("The Fund") is to provide cover to member local governments for losses or damage to infrastructure assets resulting from flooding, earthquakes and other damaging events.

The Fund is a charitable trust registered with the Charities Services on 8 May 2008 and is governed by a Deed of Trust dated 14 December 2007.

Statement of Compliance

The financial statements have been prepared in accordance with Tier 2 Public Sector Public Benefit Entity (PBE) Standards.

The criteria under which the Fund is eligible to report in accordance with Tier 2 PBE Standards are that it is not publicly accountable and is not large and disclosure concessions have been applied.

NOTE 2 GOING CONCERN

The financial statements have been prepared on a going concern basis. The Trust Board believe that while members have the right to leave the fund, the equity (\$16.3 million) provides a solid basis to conclude that the Fund will continue as a going concern.

NOTE 3 STATEMENT OF ACCOUNTING POLICIES

General Accounting Policies

The reporting currency is New Zealand dollars. Income and expenses are accounted for on an accruals basis.

Particular Accounting Policies

The following are particular accounting policies which materially affect the measurement of financial performance and financial position. Further particular accounting policies are contained in the relevant notes to the financial statements.

INCOME RECOGNITION

Contributions are recorded in the Statement of Financial Performance in the year in which they relate. All revenue is exchange revenue.

TAXATION

The Fund has been granted charitable status under section CW 34(1) of the Income Tax Act 2004 by the Inland Revenue Department, hence no taxation has been provided for in the financial statements.

GOODS AND SERVICES TAX

The Financial Statements are prepared on a GST exclusive basis, except for receivables and payables that are stated inclusive of GST.

Changes in Accounting Policies

There have been no changes in accounting policies during the year.

NOTE 4 CLAIMS AND REINSURANCE RECOVERIES

Gross outstanding claims liabilities total \$0 (2018: \$1.638 million). The 2018 estimate represented loss assessors' estimates for the Kaikōura earthquake claims as at June 2018 and of what LAPP will ultimately pay in relation to these claims. The estimates or projections were based on the known facts and circumstances and assumptions regarding future events and key variables.

All claims associated with the Kaikōura earthquakes were settled by 30 June 2019 and there were no other claims outstanding.

NOTE 5 PROVISION FOR CLAIMS*Accounting Policy:*

A provision for a claim is recognised when:

- a claim has been received;
- a potential obligation has been recognised by the Trust Board;
- it is probable that an outflow of resources will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.
